Dear Nancy,

It has been a real pleasure knowing
you these past few years. Especially in
the summer of '56.

Remember all the talks we have
gotten into. So Mrs. Lawrence's home. Also,

remember in our little garden with

Chuck, Arthur, Mr. Bell, & Mr. Howard.
On several good memories the time
we had when we got a C in chemistry.

I wouldn't see the picture
and I'd like to have a wonderful

from you that I have known you.
I wouldn't have had such a
good time on all of our business if it

hadn't been for you.

It's been a wonderful time
you. I hope you have the best of
luck always.

Yours truly,
Di (Diana)

P.S. Remember Mary Anne's friends
and "Thomas Duckie" car.

Foreword

"Of no talent He has given will He require a more strict account than of our time." It therefore becomes a sacred trust which ought to be used wisely. Its use determines not only the extent of true happiness here on earth but also our fitness for heaven. Since squandered time can never be redeemed, we should guard especially the precious years of school allotted to our lives. Time—has been chosen as the theme for this year's annual.

Dedication

For your many years of unselfish interest and your sincere devotion to our school and for your excellent leadership in presenting the finest in Christian education based upon your genuine love for God and His principles; to you, Mr. Parker, we the students and faculty of G.U.A. dedicate this 1957 STEPPING STONE.

Swan Song

It is all over — the time has come for me to express my appreciation to all who have made this annual possible. First of all — to you the Student Body goes a big thanks, for you have played the most important part. Mr. Jeffreys, sponsor — the annual staff wants to thank you for your extra push which kept us at the job, your ideas, patience, encouragement and unselfish devotion for the good of the annual. Mr. Lane, official photographer of the 1957 STEPPING STONE — a sincere thanks for your wonderful job not only in the taking of the pictures but also for helping us to meet our dead-lines. Mr. Bacon — for giving this yearbook the artistic touch. To the staff — I want to express my deepest gratitude to each one of you personally for doing your part so well and seeing it through to the end. Sheryn Spilman, associate editor — thanks for the tremendous assistance and excellent job you did. David Brown and Gary Ardizzone, advertising managers, and their capable secretary, Sylvia Almstadt — for all your hard work that it took to get the advertisements and sponsorships, for without your part this annual would not have been possible, financially Don Winters and Helen Frenzel, snapshot editors — for your constant promotion during the snapshot campaign and for pasting them up. Dan Frederickson, circulation manager — for contacts made for the distribution of our annual. Kay Kott, business manager — for seeing to the proper dispensing of the funds and keeping us out of debt. Richard Wong and Susan Hanson, artists — for the fine details that go into making the layout. Carol Lord, photographer — for your pictures which added much to the enjoyment of this annual. Marcia Miracle and Phyllis Vogel, typists — for preparing the copy for the printer. Bob Bergman and Jean Joergenson, junior high editors — for representing the Junior High division of our school. To you all I say, "many thanks."

As we send this last page to the Yearbook House it is our sincere desire that you will be happy with this year's STEPPING STONE and that it might help bring to memory the TIME that you spent at GUA.

Dear Nancy;

Hav'n't we had fun in Junior High! Remember all the messes we got into & had the fun of getting out of? Changing in gym when the temperature was just about 20 below. (Ha) When they tried to get us on opposite teams (a really always succeeded) Well they say it's all in a lifetime, but — Remember the fun we used to have in library & on Junior High recreation nights, (the trouble you & Aunt Emma took in getting me to come). Our troubles in typing & sewing (the fashion show). But all in all it was fun wasn't it?

Love Mary Anne Fenger
P.S. Lots of luck in the future.

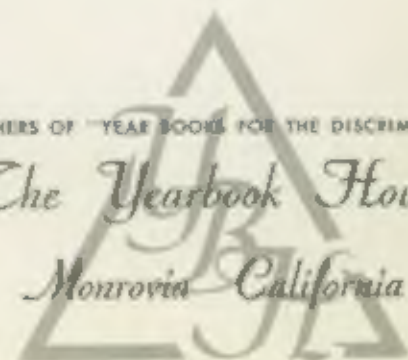

Best of Luck.
